On Saturday, Feb. 23, a cheerful group of volunteers who had taken part in the regular monthly clean up of the Mussel Rock area, congregated on Westline Drive beneath a sign, erected recently; it thanks groups of volunteers for taking care of the area.

They dedicated this sign to all those volunteers who make a difference to this area, whether in the past, present or future. Plaques acknowledge hikers and dog walkers who commit random acts of trash pickup, as well as individuals, such as Ian Butler and Helen & Friends, who have adopted this area for several months. Coffee cake was eaten and photos were taken. There is space to add plaques honoring other groups of volunteers wishing to join the adoption of this worthy area.

Interested volunteers and organizations may contact Lynn Adams at [pickituppacifica@gmail.com](mailto:pickituppacifica@gmail.com) (<mailto:pickituppacifica@gmail.com>).
