The Pacifica Beach Coalition invites you to join us for a screening of Surfing for Life, a film by David L. Brown and Roy Earnest, Tuesday, Feb. 22, to raise money for our Earth Day of Action event coming up in April. Last year 8,100 volunteers turned out for Earth Day and took action in Pacifica by picking up litter, removing weeds, gardening, and restoring habitat through out our community. 60cu yards of litter and greenwaste were removed from the environment on this one day potentially saving millions of wildlife.

If you would like to lead a team or take action in your home feel free to contact us at pickituppacifica@gmail.com (mailto:pickituppacifica@gmail.com) or join us in Pacifica on April 20th, 2013.
