Here is the the 2007 [EARTH DAY IN PACIFICA](#) video on YouTube.

Please join us year-round in cleaning up the beaches, streets, parks, or city sites in need. Bags and gloves will be provided and a needy site of meaning to you or your group will be arranged. Or develop your own beautification project in Pacifica not limited to beach restoration: nonnative-plant removal, native-garden plantings, park restoration, creek cleanup. We are blessed to live in this amazing seaside city. Let's join together to put litter in its place, connecting all of us to the earth and saving wildlife all at the same time!

Earth Day Pacifica 2007 had 600 volunteers, 45 community groups, and 13 businesses that collected 12,000 pounds of litter/recyclables and 4,000 pounds of greenwaste from six beaches, five creeks, 20 streets, and 40 sites in just two hours.

Last year a bunch of us cleaned up Pacifica's Frontierland Park. Lots of stuff you wouldn't expect! Fun and very rewarding to help keep our beautiful park clean.
